Micro, Small and Medium Enterprises (MSME) sector has emerged as a highly vibrant and dynamic sector of the Indian economy over the last five decades. MSMEs are complementary to large industries as ancillary units and this sector contributes enormously to the socio-economic development of the country. This Ministry now designs policies and promotes/ facilitates programmes, projects and schemes and monitors their implementation with a view to assisting MSMEs and help them to scale up.

The primary responsibility of promotion and development of MSMEs is of the State Governments. However, the Government of India, supplements the efforts of the State Governments through various initiatives. The role of the M/o MSME and its organizations is to assist the States in their efforts to encourage entrepreneurship, employment and livelihood opportunities and enhance the competitiveness of MSMEs in the changed economic scenario.

The schemes/ programmes undertaken by the Ministry and its organizations seek to facilitate/provide: i) adequate flow of credit from financial institutions/banks; ii) support for technology up gradation and modernization; iii) integrated infrastructural facilities; iv) modern testing facilities and quality certification; v) access to modern management practices; vi) entrepreneurship development and skill up gradation through appropriate training facilities;

MAA School of Hotel Management has registered with MSME (Micro, Small and Medium Enterprises) to promote support services to Hospitality Education through online to working employees of Hospitality Industry who lack hotel Management qualification but having rich experience in Hospitality. MAA School of Hotel Management conducts online courses under WORK and Study Programs to equip profession knowledge in their area of operations to meet the challenges of qualified hoteliers in job promotions and career prospectus. This additional certification will give confidence and support to hotel employees to their work experience and enrich them with latest technology in Hospitality Industry.
